## GOBRIGHT FOR FURNIKO

It is our goal to deliver products of highest quality and modern design, environmentally friendly, ergonomic and innovative that will satisfy demands of our customers.

Knowing this, it is no surprise that Furniko was enthusiastic about GoBright's Smart Office solutions. High-quality solutions for room,- desk, and visitor management that enhance the use of great office furniture and effective use of floorspace. The showroom of Furniko is equipped with all GoBright solutions, so that their Polish customers can get acquainted with the smart software solutions that we offer for various ways of modern working. ## ABOUT FURNIKO

Furniko is located in Warsaw, Poland. It is not a random location. The Warsaw team carefully selected a spot in an A-class office building designed by renown studio JEMS Architects. The building was awarded a grand prize in category Office Real Estate – Investment of the Year in a competition Prime Property Prize 2018. The interiors of the new showroom were designed by a famous studio In Design managed by Zbigniew Kostrzewa.

FURNIKO

## SOLUTIONS COMPLEMENTING HIGH-QUALITY OFFICE FURNITURE.
