

THE ROI of the Smart Workplace

Hybrid Working

‘47% of employees would likely look for another job if their employer does not offer a Hybrid Working model.’

Source: Envoy, 2023.

57%

‘57% of floorspace that is rented by businesses, throughout Europe, is not being used.’

Source: Savills, 2022.

1:4

‘Internal research by GoBright shows that one desk can facilitate up to four employees.’

Source: GoBright, 2023.

9K

‘European companies pay 9,122 euros per work station on average per year.’

Source: Colliers, 2023.

Example Calculation

Company A. has 800 employees and strongly supports Hybrid Working. Colleagues decide for themselves how often they come to the office and must book their workplace in advance.
